## TARANAKI SUMMER SHOW

We were on the road at 7.00am, heading for New Plymouth with a few stops between (as you do!)

Glenys and I were the drivers and Pauline in the back controlling her car sickness (which she beat, by the way. 'Sealegs' did the trick!).

I had a new GPS (as some lowlife broke into my car over Xmas and stole my other one). We were like tourists with this device telling us where to go and often where NOT to go!

First stop Otorohanga. Coffee. Browsed the shops and found a lovely dress shop! In we go and come out with our 'Mother of the Bride' (Pauline) clutching a bag holding THE DRESS!

Next stop Pio Pio to check out the blueberries. Decided to get some on the way home but just had to sample the fresh blueberry ice cream!

Mokau for lunch. More coffee.

After a wonderful sunny trip we spotted Mt Taranaki and we were soon at our Motel.

A swim to cool us down and then to join Ross and Sue Crabb for happy hour followed by a BBQ hosted by Joe, Betty, Gary and Heather. A lovely evening meeting up with friends from our own and other clubs. Boy, did those sand flies bite!

Next morning we were at the show enjoying the stunning orchids, which we very rarely see as this is the only summer show in NZ. The Disa were beautiful.

The Boot Sale kept us busy for a while with re-arranging the car to fit all our purchases in. We then had a lovely lunch, went down to the park to view the glasshouses and later returned to the show venue to enjoy a lavish evening meal.

George Fuller took us through Pukekura Park after dark to see the illuminations and we were lucky enough to see hundreds of glow worms.

Headed home early next morning. Stopped for the blueberries and had a few coffee stops, then home.

This was a wonderful weekend. Those of you who haven't been before put in your diary for next January. It is a definite 'Bucket List' thing to do. We had a great time and plan to go again next year.

Are you coming too?
