MESSAGE FROM THE SHOW MARSHAL

The Ribbon Show was another enjoyable day. Great to see our newer members getting involved - I hope you enjoyed judging and made some new friends. It is always lovely to see our friends from other orchid societies join us for the day and we look forward to seeing them again at our next show.

Congratulations to Anne Bernard for taking out Best Novice and Grand Champion with Dendrobium *biggibum*. It was wonderful to see a competitive novice section this year. These ladies are going to give the rest of us a run for our money in future shows!

Congratulations to all the other prize winners and thank you everyone for entering your plants.

As always a big thank you to the ladies in the kitchen and our BBQ chefs. We had a good array of food and I'm sure everyone found something they liked. I know someone (he knows who he is) thoroughly enjoyed his trifle!

Thank you **Glenys.**

<u>NEXT MEETING</u> <u>Tuesday April 7th 7.30pm</u> (7.00pm Early Forum for newer members) <u>Lions Whitehouse</u>

Auction night.

Please bring a small plate for supper, on a disposable plate. Cut any cakes etc at home. This enables the kitchen staff to be able to enjoy our meetings and not be stuck in the kitchen.

Help will be needed to vacuum the hall after the meeting. There are Two vacuum cleaners available!

Please wear your name badge on club night.

APRIL IS AUCTION NIGHT

New members please don't miss this meeting. We have a wonderful time and it is a great opportunity for you to gather up a few more quali-

ty plants.

Sellers: You may sell a maximum of **5 plants** plus **1** to go to the club. We insist on good quality plants growing firmly in the pot or on rafts and bug free. You must list your plants on the auction form and hand it to Lee on the night. Sellers are responsible for collecting money for their plants at the end of the evening.

Buyers: We are not a bank! Bring small notes and small change. Don't forget to pay for your plant at the end of the meeting. We will give you a purchaser list.

Happy April birthday to....

RAMBLE DAY – At Anne's

What a great turnout! Fourteen members wandered around Anne's fabulous garden. Her orchids were tucked in around her property, under the deck and in her home - all looking very happy to be where they were.

The garden was beautifully laid out with lots of surprises at every turn. Her love of all plants very obvious with roses, vireya's, dahlias and almost everything else you could think of growing very happily together.

We all enjoyed a great morning tea and chat on orchid culture and generally got to know each other a lot better. Thanks Anne for allowing us to share your stunning garden. <u>Mary.</u>
